

CENSUS TAKER.

The Questions He Will Ask Will be Numerous.

The questions that the enumerators will ask will be numerous, but they will not include some of those which were considered most objectionable by the people in 1890. They were abolished, not because the people objected to answering them, but because they proved utterly worthless as a basis for statistics on chronic diseases for which they were intended. The questions asked this year will be:

1. Surname, Christian name, initial.
2. Residence, street, number of house.
3. Relationship of each member of family to head of family.
4. Color or race.
5. Sex.
6. Age at last birthday.
7. Day, year and month when born.
8. Are you single, married, widow, widower or divorced?
9. Number of years married.
10. How many children?
11. Number of children living.
12. Sex of these children.
13. Where were you born? If in the United States give state or territory; if of foreign birth give name of country only.
14. Where was your father born? Your mother? (Same conditions as the foregoing.)
15. If of foreign birth, when did you come to the United States?
16. How many years have you resided in the United States?
17. Have you been naturalized? How many years since you became a citizen?
18. What is your occupation, trade or profession? (This question applies to persons 10 years of age or over.)
19. How many months out of the year are you employed?
20. How many months have you attended school?
21. Can you read?
22. Can you write?
23. Give the main facts concerning your education.
24. Do you own the house in which you live?
25. Do you rent the house in which you live?
26. If you rent the house, is it free or mortgaged? The same questions apply to farms.

Biggle Swine book is just as valuable for a man with one hog in a little sty as for a man with a hundred hogs feeding on the sheltered side of a barbed wire fence. Its chapter on "Cholera" is alone worth ten times what the book costs. You ought to have it. The Leader says so. The price is fifty cents, free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

Putting food into a diseased stomach

is like putting money into a pocket with holes. The money is lost. All its value goes for nothing. When the stomach is diseased, with the allied organs of digestion and nutrition, the food which is put into it is largely lost. The nutriment is not extracted from it. The body is weakened and the blood impoverished.

The pocket can be mended. The stomach can be cured. That sterling medicine for the stomach and blood, Doctor Pierce's Golden Medical Discovery, acts with peculiar promptness and power on the organs of digestion and nutrition. It is a positive cure for almost all disorders of these organs, and cures also such diseases of the heart, liver and other organs, as have their cause in a weak or diseased condition of the stomach.

There is no alcohol or other intoxicant contained in "Golden Medical Discovery."

Substitutions are imitations. Imitation money is worthless. So are imitations of Dr. Pierce's "Discovery." Get the genuine.

Mr. John L. Coughenour, of Glensavage, Somerset Co., Pa., writes: "I had been doctoring for about a year and a half, being unable to work most of the time. The doctor said I had heart disease and indigestion. My appetite was unusually poor, I was weak and nervous, and my heart kept throbbing continually, and I was short of breath. Finally I wrote to you for advice. I did not think your diagnosis was right, but I ordered six bottles of 'Golden Medical Discovery' and began its use. After using three bottles I began to improve slowly and soon went to work, and I have been working ever since."

Free. Doctor Pierce's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper-bound edition, or 31 stamps for the cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Remedies are for sale at the Eagle Drug Store.

THE NEW YORK WORLD
THRICE-A-WEEK EDITION.

The striking and important events of the last year have established the overwhelming value of THE THRICE-A-WEEK WORLD to every reader. For an almost nominal sum it has kept its subscribers informed of the progress of all our wars and, moreover, has reported them as promptly and fully as if it were a daily. With our interests still extending throughout the world, with our troops operating in the Philippines and the great Presidential campaign, too, at hand, its value is far higher increased.

The motto of THE THRICE-A-WEEK WORLD is improvement. It strives each year to be better than it was the year before, and public confidence in it is shown by the fact that it now circulates more than twice as many papers every week as any other newspaper not a daily, published in America.

We offer this unequalled newspaper and THE WEEKLY LEADER together one year for \$1.15.

The new book store just opened in the Dewey block is a surprise to a good many of our people. There you will find thousands of books of all kinds and the most beautiful line of ladies' fine stationery ever shown in the city.

Many people suffer untold tortures from piles, because of the popular impression that they cannot be cured. TABLET'S BUCKEYE PILE OINTMENT will cure them. It has met with absolute success. Price 50 cents, in bottles; tubes, 75 cents. Sold by F. B. Lillie & Co. and Wheeler & Son.

HOUSE CLEANING

Everybody should join in the efforts to make our city beautiful. We should take pride in making Guthrie not only the best city in Oklahoma, but the most beautiful and artistic city of homes as well. A little work and a few dollars of expense will do this. We are anxious to aid you in this undertaking for two reasons. First—Because we have

Wall Paper and Paint

to sell, and second—Because we are proud of our city and want to see it made the most beautiful in Oklahoma. If you will take a drive over the city you will be surprised at the uncounted condition of many of our residences, largely accounted for from the inferior and cheap material used in painting. We are now putting in a new, clean stock of

Strictly Pure Paints, Oils, White Lead, Varnishes, Etc.,

and if you want material that will wear we are prepared to supply you at the most favorable prices. We have the goods, you have the money and need them. Come and let us reason together to our mutual advantage.
